E/NL.1989/40

RESOLUTION NO. 2194. WARNINGS ON MEDICINES THAT CONTAIN BENZODIAZEPINES
9 MARCH 1989

Considering Order No. 3F/6820 of 17 November 1988 of the Ministry of Health, which sets out the need to display a warning on the labels of all products that contain benzodiazepines, as well as the provisions of article 102 of the Health Code, and also articles 2, 11, 46 (k) and 55 of Supreme Decree No. 435 of 1981 of the Ministry of Health; and mindful of the powers conferred on me by articles 37 (b) and 39 (b) of Decree-Law No. 2763 of 1979,

I hereby issue the following

RESOLUTION

1. The labels affixed to the packaging of pharmaceutical products that contain in their formulation a benzodiazepine, whether alone or in combination, must clearly carry the following warning: "THIS DRUG MAY ONLY BE ADMINISTERED UNDER STRICT MEDICAL SUPERVISION AND CONTROL".

2. This Resolution shall come into force on this day.

3. Establishments that have obtained an authorization to process or import medicines containing benzodiazepines must submit any changes to the new labels for those products for approval to this Institute before 1 July 1989. After that date, products may not be packaged or distributed in packaging with labels that do not conform strictly to the provisions of this Resolution.

To be recorded and communicated

Joaquín Larraín Gana, Colonel (R), Director of the Chilean Public Health Institute.
